Survey for volunteers 2007

1. Can you please describe your experience while volunteering with Ghost River Rediscovery? What program did you volunteered with, what did you do and for how long?

2. What aspects of the volunteering did you enjoy? What did you not enjoy? Why?

3. Would you like to be a volunteer again and if so, what program would you like to volunteer with?

4. In your experience, what are some ways that Ghost River Rediscovery can improve?

Thank you for completing our survey. All of your comments are very important to us as we take everyone's experience into consideration when doing programming and planning.
